Breakfast At Nicole's

Supposedly the most important meal of the day, in the run up to Christmas **Nicole Farhi** is giving us good reason to indulge with the launch of her new breakfast menu at Nicole's, the restaurant at her flagship store on New Bond Street.

With Farhi having last night been lauded as Entrepreneur of the Year at London's **Francais of the Year Awards**, you can trust you'll be in safe hands in the culinary, as well as sartorial, sense. Cosy up with such delights as porridge with cream, sultanas and honey or maple syrup baked granola with seasonal fruit and Greek yoghurt, buttermilk pancakes with fruit compote and crème fraiche or fried green tomatoes with chilli and mozzarella, to name but a few menu options.

And it doesn't stop there - from December 8 until December 19, anyone having breakfast will also receive a Culpepper goodie bag with a selection of tea, seeds and recipes to enjoy at home. Now that's the (festive) spirit.
